

Kerf Mounted

Perimeter Seals

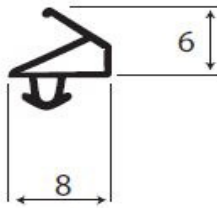

Description

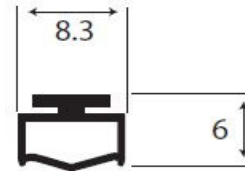

Quality gasket seals designed to be fitted into a prepared kerf groove within aluminium door or window joinery.

S6620

S6641

DBS1230Rep

Features

The TPE-V material of these gasket seals can provide better weather resistance, energy efficiency, acoustic performance and durability than foam or pile seals.

Fitting Location

These seals can be used on aluminium, or PVC door, and window frame grooves where dimensions suit.

Material and Finish

TPE-V gasket seals are available in black.

Approvals

Fire: AS1530.4

Smoke: AS1530.7/BCA C3.4
